A MESSAGE FROM

Claybrook Cottingham

PRESIDENT

I greatly appreciate being permitted to include a word of greeting in your yearbook. The value of this book will increase to you as the years pass. You will show it to your children and every time you open it in the years to come it will be a pleasant reminder of the happy days all of you spent together at Tech.

I am grateful for this privilege I have had of associating with you and being a part of your busy life during the Session 1941-1942. To those of you who will remain with us I express the hope that the year 1942-1943 may be even more pleasant and profitable. For those of you who go out from us into a troubled world I give my best wishes for success, happiness and usefulness. Remember you are representatives not only of your own family but of Alma Mater. Tech expects every Tech man and woman to do his duty.

Sincerely,

CLAYBROOK COTTINGHAM.

President.

ADVICE TO FRESHMEN!

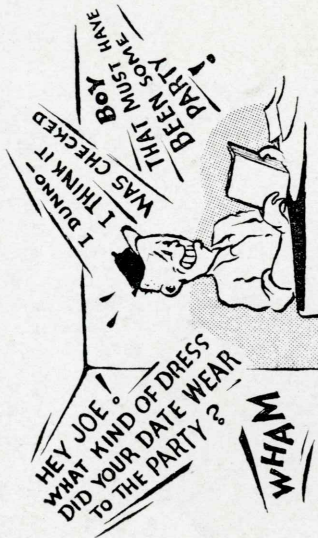

FOR FURTHER INFORMATION CONSULT T BOOK

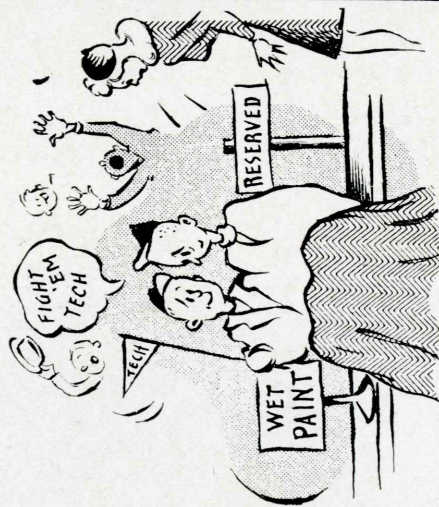

"EVERY FRESHMAN MUST HAVE HIS HAIRCUT MILITARY STYLE AT ONCE."

"RUSHING BEGINS THE FOURTH WEEK. ONE THING ABOUT RUSHING - THE BACK-SLAPPING DOESN'T STOP - IT JUST MOVES FURTHER DOWN."

"FRESHMEN WILL NOT BE PERMITTED TO HAVE RADIOS. THIS REGULATION IS TO PROVIDE A QUIET, PEACEFUL ATMOSPHERE FOR STUDYING WHICH IS SOMETIMES DONE."

"FRESHMEN MUST ATTEND ALL HOME ATHLETIC CONTESTS, SITTING IN A GROUP AND KEEPING AS MUCH DEP AS POSSIBLE. THEY SHALL NOT SIT WITH GIRLS DURING A GAME. THIS IS TO FOCUS MORE ATTENTION ON THE GAME."

HOMECOMING

At the annual homecoming game Tech played Hardin-Simmons. The game was ruled over by Queen Marion Willis. Her attendants were (left to right) Gertrude Northcott, Merle Harmon, Mary Alice Nelson, Mary Catherine McGinty, and Schumpert Barnes.

At the right is the Theta Upsilon float which won first prize. The old fashioned girl is Dorothy Ann Meadows. Below are scenes from the parade and at the half.

WHO'S WHO

ANNE GOYNE

Social events at Tech would hardly have been completed without Anne's charming presence. She was president of Kappa Delta Sorority, a member of the Blue Jackets, Tech Theater players, reporter on the Tech Talk, a member of the Pan-Hellenic council, Press Club, an Omega Kappa sweetheart, and President of the Kappa Delta pledges.

W. T. WELLS

Billy, a good brother to everybody, was a valuable member of the chemistry department, and also a member of the Student Senate, Engineers' Association, President of Tau Chi Sigma Fraternity, President of the Chemical Engineers' Association, Historian of the Senior Class, a member of the Delta Alpha Rho Fraternity, Omega Kappa Fraternity, Kappa Sigma Fraternity, T. H. Harris Scholarship Club, and a Knight at the Engineers' Ball.

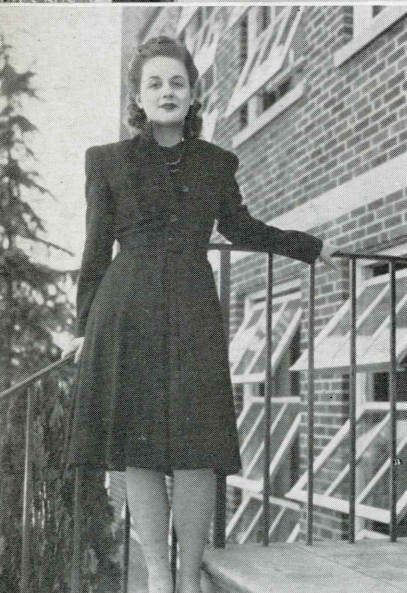

HARVEY BENOIT

Sincere Harvey quietly assumes his duties as President of Lambda Chi Alpha Fraternity, President of the Inter-fraternity Council, a member of the Student Union, Gamma Epsilon Fraternity, and Delta Alpha Rho Fraternity.

JANICE TARPLEY

Janice seems born to rule as she was President of Harper Hall, President of Theta Upsilon Sorority, President of the Honor Council, President of Pan-Hellenic Council, a member of the Women's League, Tech Theater Players, in the casts of "Mr. Pim Passes By," "Our Town," and "First Lady," and in Who's Who at Tech, 40-41.

EDNA EARLE CARROLL

Known as "Sis" to her friends, she has distinguished herself as Society Editor of the Tech Talk, Lagniappe Beauty, Tech Theater players, Reporter on the Tech Talk, casts of "First Lady" and "The Importance of Being Earnest," Student Union, Press Club, Senior Adviser, Features Editor of the Lagniappe, Y. W. C. A.

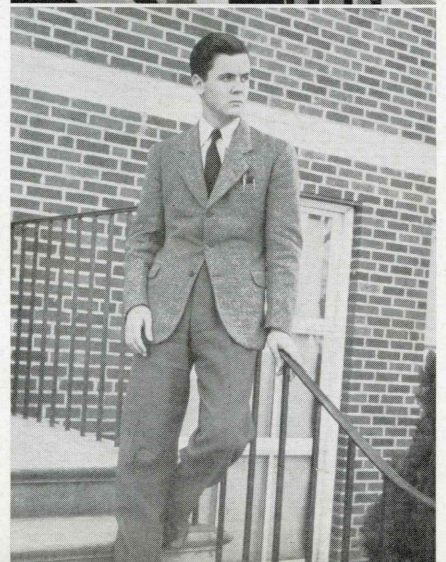

CLU FLU LUSK

Proving that he is a scientist at heart, Clu Flu spent much of his time as a biology laboratory assistant, and was also a member of the Omega Kappa Fraternity, Kappa Sigma Fraternity, T. H. Harris Scholarship Club, Forensic Club, President of the El Realia Club, Tech Theater Players, Student Senate, President of the Senior class, President of Gamma Epsilon Fraternity, President of the Biology Club, and was in Who's Who in American Colleges and Universities, 40-41.

The Tech Talk

On April 12 of this year the Tech Talk, official college newspaper, published weekly by the Louisiana Tech journalism students, celebrated its fifteenth birthday.

It is published in the Tech printing department, one of the most complete plants of any college in the South. In addition, Tech maintains a photography studio and photoengraving plant to serve college publications.

The newspaper has been consistently given "first class honor rating" by an Associated Collegiate Press critical service, and was twice judged "All-American." It is a charter member of the Louisiana Collegiate Press Association.

L I C Ch a m p s

With Head Coach Joe Aillet serving his second year as gridiron chief, Louisiana Tech's Bulldogs carried home their first Louisiana Intercollegiate conference football championship at the close of the 1941 pigskin campaign.

The Canine machine got off to a bad start in the first four contests, losing three of these encounters and tying the other. But, a convincing victory over their traditional rivals, the Louisiana Normal Demons, in the annual state fair classic launched the Bulldogs on a successful campaign which saw them breeze through the remainder of their conference games without a threat of defeat. Only 14 points were scored against the Techsters in loop contests.

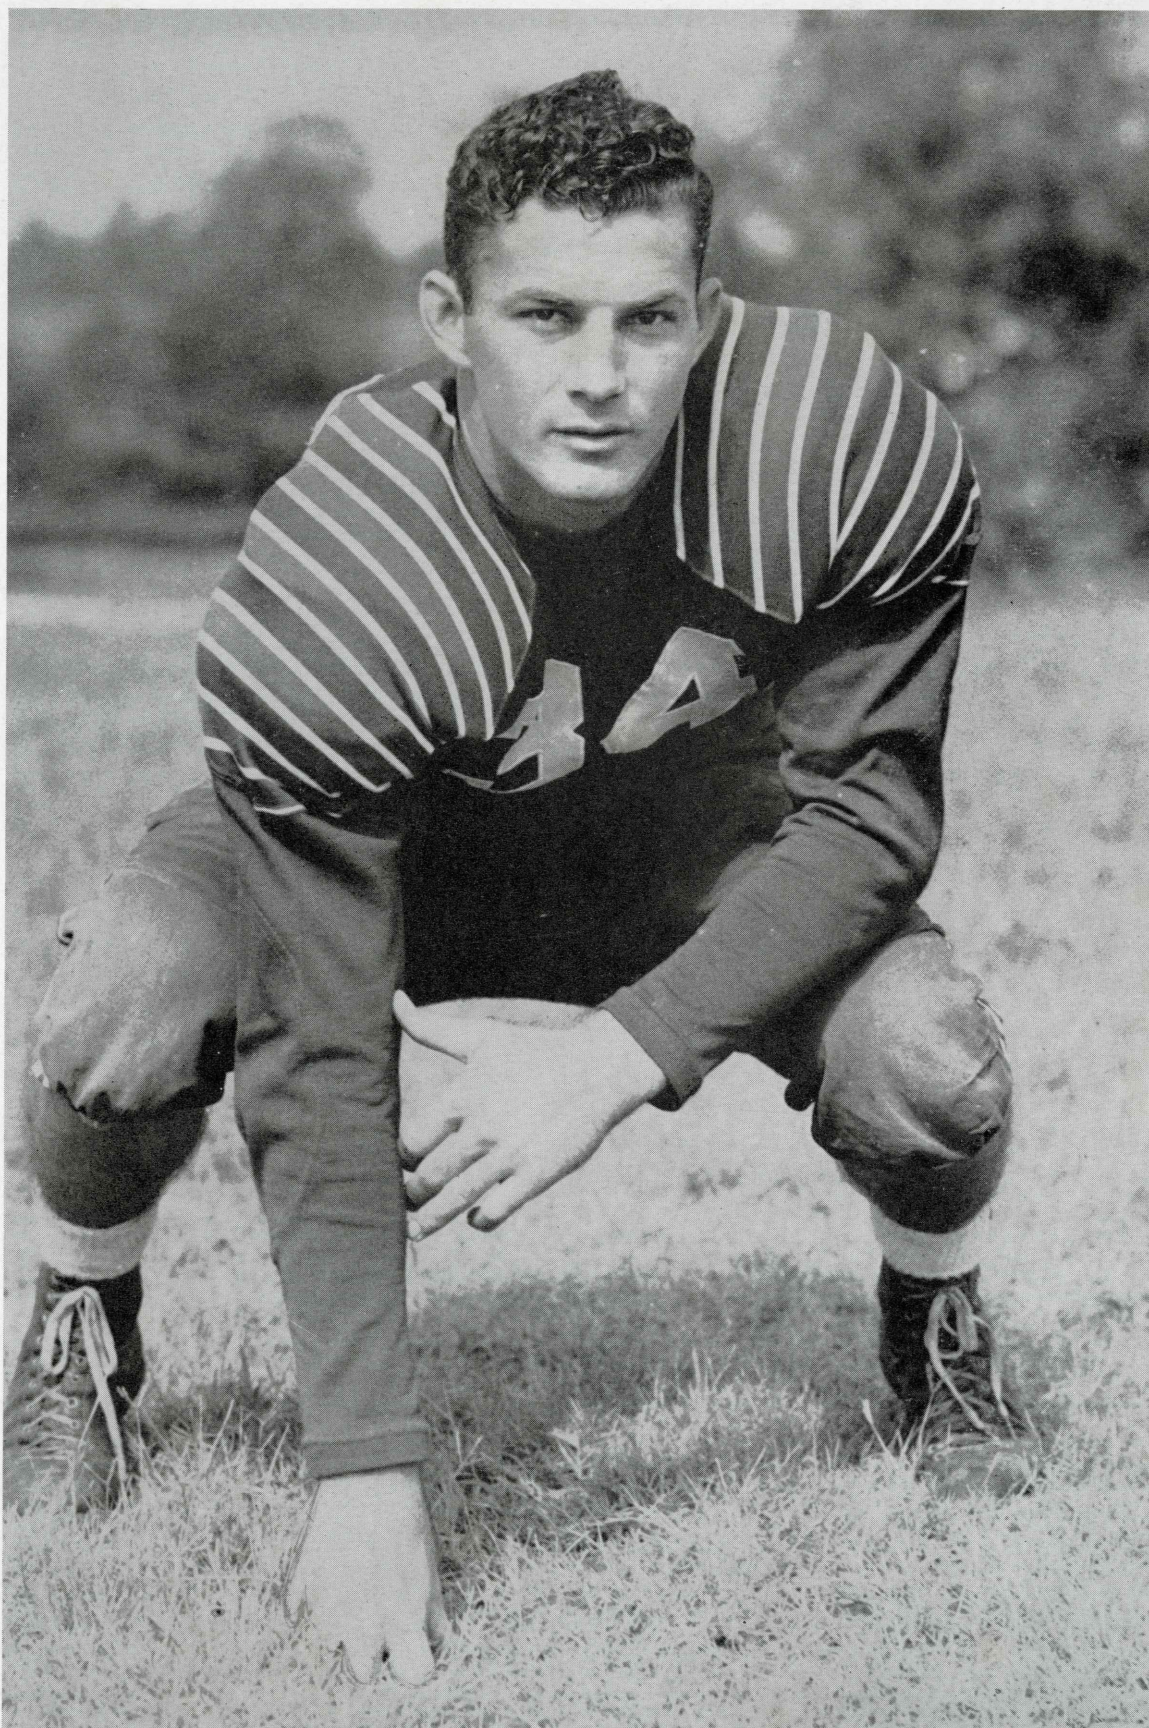

Aillet, assisted by Cecil Crowley, again employed the "T" formation in the Bulldogs' line of attack.

All of the defeats handed the Techmen were dealt by major gridiron powers such as Auburn, Louisiana State, Hardin-Simmons, and Mississippi Southern.

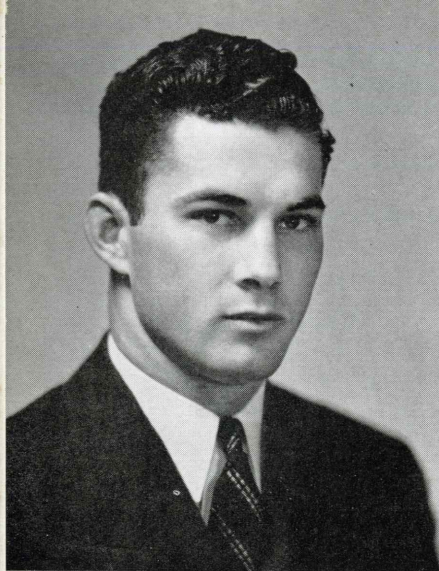

JOE AILLET

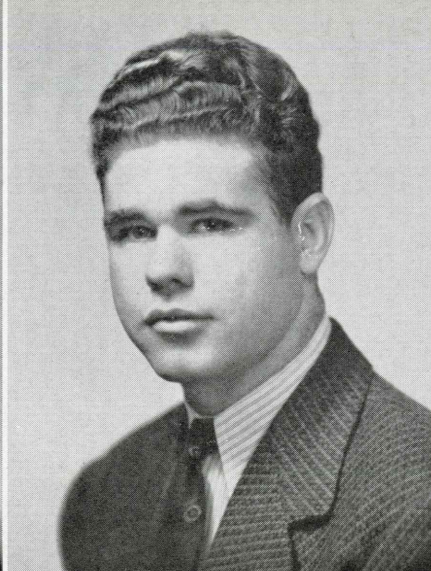

Garland Gregory, Little All-American

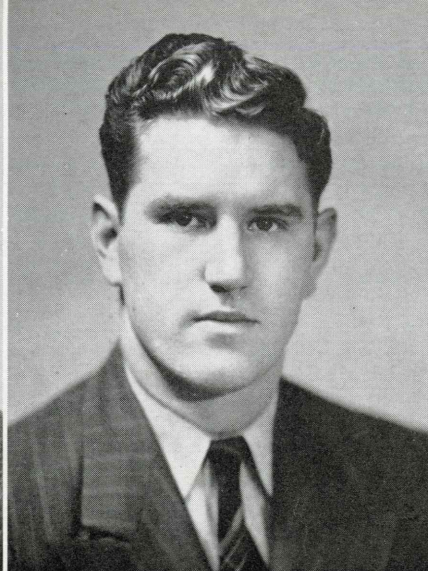

Climaxing a brilliant gridiron career, Garland Gregory, captain and guard of the Bulldog squad, was given a first-string position on the Associated Press' Little All-America football team upon completion of the grid season. Gregory was the first player in Tech football history to receive such an award. Outstanding defensive and offensive playing along with spirited team leadership won the Techster the coveted all-star position.

Even while losing to the powerful Bengal Tigers of Louisiana State, the Bulldogs looked good enough to cause a steep soar of spirits among Tech followers. The Tigers acquired most of their gains with aerial bombardments. On the ground, the Techmen held the powerful Southeastern conference eleven to a standstill.

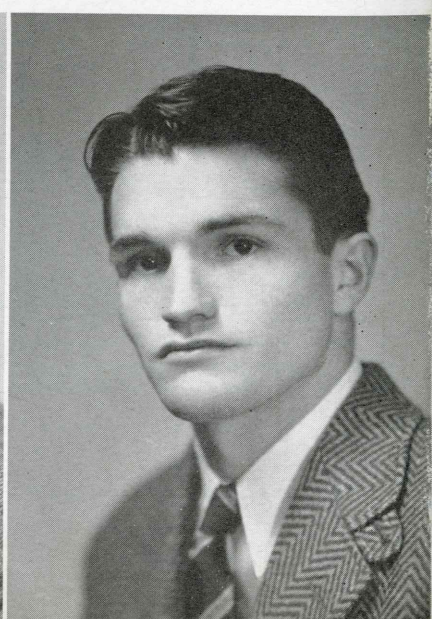

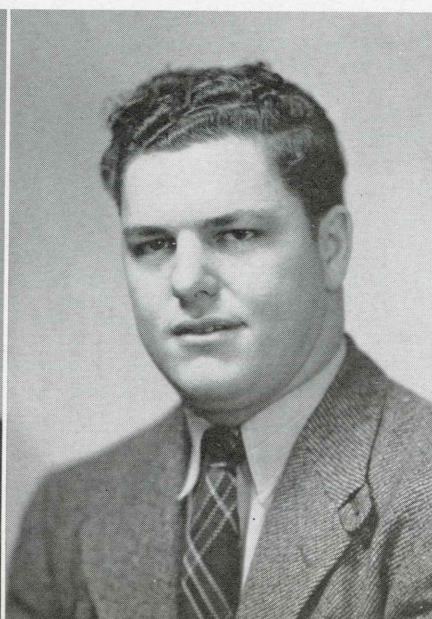

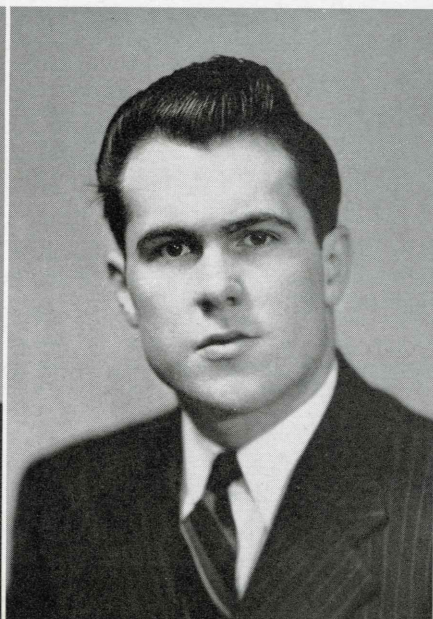

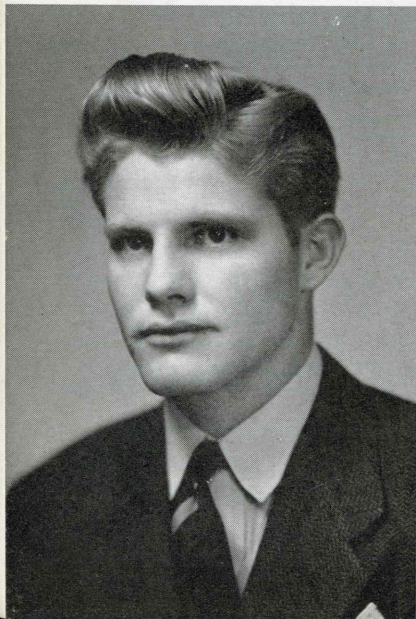

At the end of the third quarter, LSU led, 13 to 0. But, the vast reserve power of the Tigers smashed over for two touchdowns in the final stanza against a tired Tech eleven.

On a rain-drenched field in El Paso, the Bulldogs and the Muckers of the Texas College of Mines played to a scoreless tie in the Canines' second game of the season.

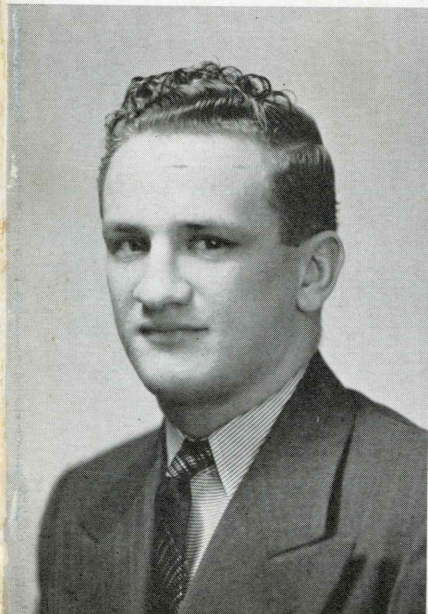

Although held scoreless, the Techmen completely outplayed the Miners throughout the contest. Poor officiating and a muddy field prevented the Techsters from pushing over a counter.

So obvious were the officials' mistakes, Texas fans formed a Tech cheering section as a comforting gesture to the disheartened Bulldog gridders.

Against the flashy Mississippi Southern grid crew, the Techmen had their "off game" of the season.

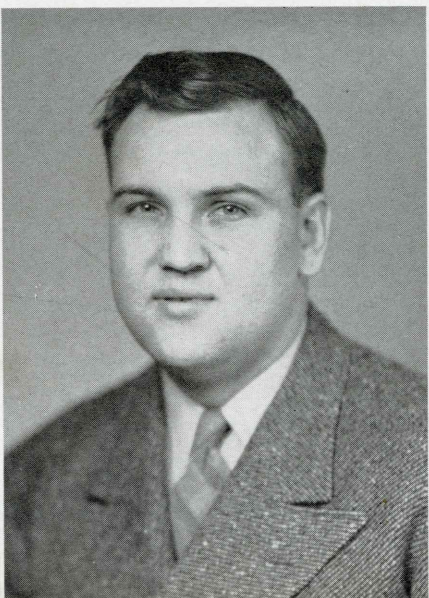

The Canines failed to perform up to par both on offense and defense.

Johnny Perritt, Canine halfback, streaked off tackle for 24 yards for the lone Tech touchdown. Freddie Michael booted the extra point.

Louisiana Tech, 0; Auburn, 34

Suffering their third defeat of the season, the Bulldogs fell before the might of the potent Tigers.

Again, strong reserve power overcame the game but tired Techmen. At the end of the third period the powerful Plainsmen had scored only two touchdowns against their smaller opponents.

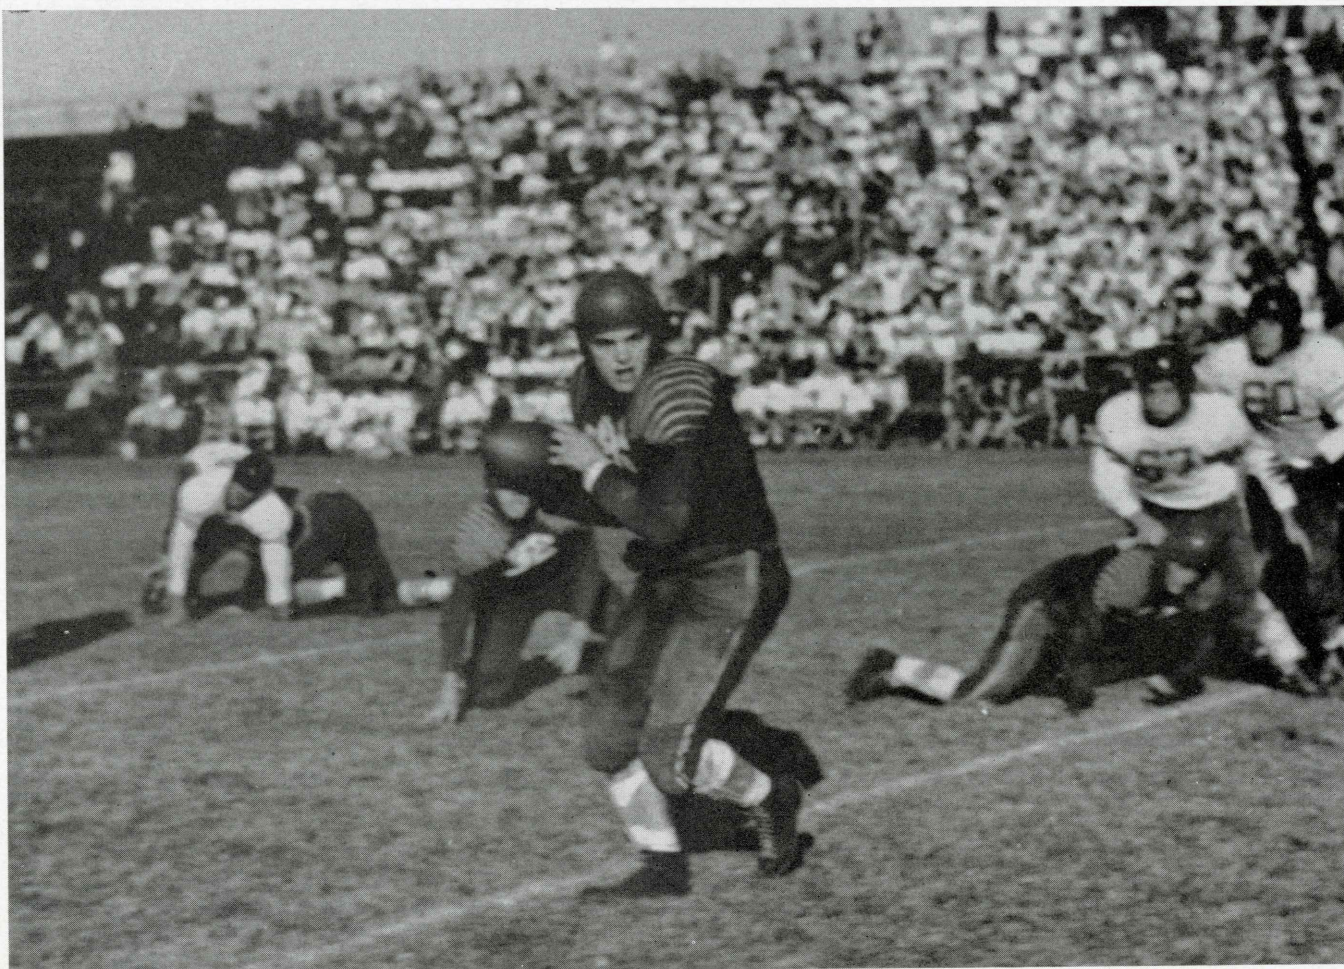

But, a last-quarter scoring spree netted the Auburn squad three more trips into counting territory and the Techmen returned home a defeated but wiser football aggregation. For, the lessons learned in competition with major grid powers proved helpful to the Canines later in the season among loop foes.

Louisiana Tech, 10; Louisiana Normal, 0

After outplaying the Normalites in the first half, the Canines applied more heat in the third stanza but were still unable to score a touchdown. Consequently, Edd Roberts, all-conference tackle, was sent back to boot a field goal from the Demon 28-yard line.

With the Techsters in the lead, 3 to 0, the Demon quarterback called for a fourth-down pass in the final seconds of play. The pass failed and Freddie Michael, Johnny Perritt and Bob May sparked a 30-yard drive which netted the Canines their touchdown. Michael plunged over from the eight-yard stripe, then booted the extra point to give the Bulldogs their first win over the Demons in four years.

Louisiana Tech, 21; Southeastern, 14

When the Tech gridmen went to Hammond for a match with the Southeastern Lions, they were eagerly eyeing a conference championship.

The Lions gave the Bulldogs a momentary scare by threatening to tie the game. In the fourth period, the score was deadlocked, 14 to 14, when Jim Tinsley and Michael sparked a touchdown drive which gave the Canines their margin of victory.

Garland Gregory and Richard (Red) Rivers accounted for the Techmen's other two touchdowns in the first seven minutes of play. Rivers circled end for 16 yards to score the first one and a few minutes later, Gregory intercepted a pass and trotted 43 yards for the score.

Louisiana Tech, 12; Southwestern, 0

With the two teams tied for first place in the conference title chase, Tech and Southwestern clashed in Ruston to settle the conference leadership.

Bob May scored the first Tech touchdown in the second period on a "quarterback sneak" after Tinsley and Rivers had worked the ball to the one-yard marker. In the third stanza, Tinsley flipped Tag Yarbrough a pass from the SLI 28 to the 10 and the shifty Canine end romped the remaining distance for the score.

Louisiana Tech, 45; Louisiana College, 0

The conference crown was practically cinched for the Techmen when they spoiled Louisiana college's homecoming by staging a track meet on the Wildcat gridiron.

Every player available was used against the Pinevillians in piling up the winning 45 points. It was the most decisive victory ever scored by either team in years of gridiron relations.

Louisiana Tech, 0; Hardin-Simmons, 13

Bringing with them an impressive record in the tough Border conference, Hardin-Simmons Cowboys invaded the Bulldogs' playground to help the Techmen entertain a large crowd of homecoming fans.

After a gruelling battle, the aerial-minded Cowpunchers came out ahead of the Techsters, 13 to 0, as a result of two touchdown passes.

Louisiana Tech, 39; Centenary, 0

In the season finale, the Canines battered their traditional rivals, the Centenary Gentlemen, to a pulp in a Turkey Day classic.

Highlights of the game were an 82-yard touchdown jaunt by Michael following a pass interception and a 54-yard run through the center of the line by Tinsley.

Under the tutorship of Coach Mike Wells and his assistant, Paul Bonin, the Louisiana Tech Bullpups gave performances during the season which increased local fans' hopes of even a better varsity squad next season.

Two of Coach Wells' charges, End Charley Newman and Halfback Raymond Peace, were used exclusively with the varsity under the recent Southern Intercollegiate Athletic association ruling permitting the use of freshmen.

Garland Gregory, Bob May and Edd Roberts, *All-Conference,* *1941*

Bob May's brilliant field generalship was undoubtedly a leading factor in the Bulldogs' drive to their first conference crown. May, a senior, directed the Canine attack with persistent accuracy.

Besides turning in a fine job of signal calling, the husky Tech quarterback stood out as a blocking back, an excellent line-backer and a constant scoring threat at close range on driving "quarterback sneaks."

GARLAND GREGORY, Guard

Completing a trio of Techmen to make the all-league grid squad, Edd Roberts was awarded one of the tackle berths.

The tackle position, a highly important spot in the system employed by the Tech grid machine, was handled expertly by Roberts during the entire season.

When the Canine offense bogged, Big Edd's accurate toe was a dangerous scoring threat from any angle. His well-aimed field goal against Louisiana Normal marked the turning point which gave the Techmen their first victory over the Demons in four years.

BOB MAY, Quarterback

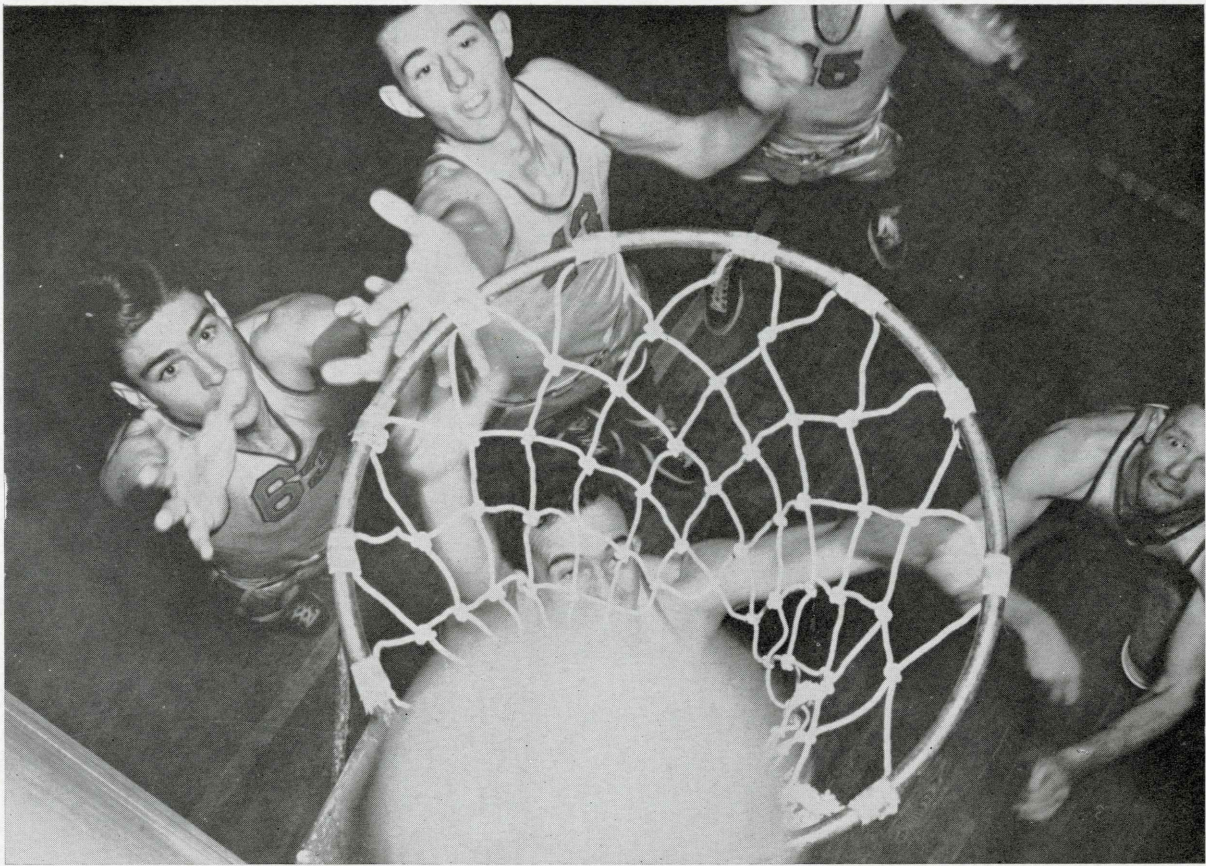

Capt. Garland Gregory's selection as all-conference guard was equivalent to "hitting the jackpot" for the handsome Techster. The choice marked Gregory's second year on the loop all-star aggregation.

A unanimous pick for the mythical squad, the Bulldog guard was named honorary captain of the eleven.

Outstanding defensive and offensive line play along with an amazing knack for pass defense accounted for Gregory's selection on both the all-conference squad and the Associated Press' Little All-America.

EDD ROBERTS, Tackle

Basketball

After assisting Coach Joe Aillet in tutoring Tech's first conference football champions, Coach Cecil Crowley assumed full charge of the Bulldog basketball team. A few weeks later, his forces returned home with Tech's first conference cage title.

COACH CECIL CROWLEY

The youthful hoop mentor was serving his second season on the Bulldog campus when the conference title was won.

With the Louisiana crown already won, Coach Crowley brought his quintet into stiffer competition at the annual SIAA tournament at Bowling Green, Ky. A victory over Union college and a bye placed the Techmen in the semi-finals where they lost to the Delta State Teachers.

After the SIAA meet, the Bulldog hoopsters attended the National tournament at Kansas City. In their first contest, the Techsters bowed to the powerful Texas Tech quintet.

Second Row: Baker, Clinton, Booth, Parker, Fisher, Taylor, Laughlin.

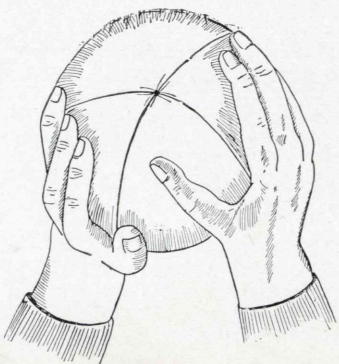

Although he has been here only a few years, Eddie (Doc) Wojecki has become a major figure in Tech's athletic set up.

As trainer of all the Bulldog teams, he has the tough task of keeping the athletes in condition to participate. Often, however, he goes beyond his physical training and gives advice and encouragement which keeps the Tech youths in excellent mental condition. Constantly on the job, Eddie is always prepared and ready to render aid, on the spur of the moment, to injured Techsters.

EDDIE WOJECKI, Trainer

His is a duty which produces vast results, but attracts little attention.

Yet, in his training room, among the many pain-relieving devices, "Doc" is becoming a Tech tradition.

With the return of two veteran lettermen and the addition of two outstanding freshmen, prospects for a title-winning net squad were unusually bright as the netters prepared to begin the 1942 schedule.

Also adding to the strength of the Bulldog tennis crew, Tom Ratliffe, ineligible last season, will assume a berth on the team this year.

COACH E. M. SHIRLEY

When Tech resumed track as an intercollegiate sport, Coach E. M. Shirley was again chosen to coach the thinclads.

With little material available, Coach Shirley developed a formidable varsity aggregation and his freshman squad won top honors in the Louisiana Intercollegiate conference meet.

Prospects for the current season were unusually bright as Coach Shirley began drilling a large group of candidates including many of the members of last year's freshman squad.

The Delta Alpha Rho is an honorary fraternity organized in the spring of 1928. Its purposes are many. Primarily the organization functions as a means of marking in a fitting way those students of engineering who are outstanding in scholastic attainment and qualities of leadership. United in the bonds of fraternal brotherhood, these students act to promote scholarship and engineering activities.

The outstanding contributions of Delta Alpha Rho to the School of Engineering are: the awarding of a slide-rule to the first semester freshman making the highest scholastic record each year, and the sponsoring of "The Tech Engineer," quarterly publication of the School of Engineering.

THE TECH ENGINEER

Presented in the form of a quarterly publication, the TECH ENGINEER was begun in 1939 by the Delta Alpha Rho Engineering fraternity as a means for bringing together the graduate and undergraduate engineers. Distributed all over the United States and into many foreign countries, it is devoted to the advancement of the School of Engineering, its students, and its graduates.

GIRLS' BAND

The girls who are fortunate enough to make the Girls' Band find the two periods a week they spend in ensemble playing pleasant hours of recreation and pleasure as well as profitable music experiences. Due to Professor Irvine's necessary absence from rehearsals this year, "Chuck" Raley and Jimmie Simmons have wielded the conductor's baton most of the time and have done it exceedingly well.

TECH BAND

The Tech Band has for some years enjoyed the distinction of being one of the foremost football bands in the tri-state area. This year has proven no exception. For the first time the band was this year organized on a military basis with complete self-government. The director spent his entire time making plans for performances, conducting rehearsals and supervising presentations. The system met with such success that it has been installed permanently.

Tech Collegians

For four years the prestige of the Tech Collegians far and wide has risen with an accelerated tempo. "Masters" of swing, the Collegians are likewise master entertainers as many high schools, clubs, and other civic groups will testify. That elusive thing "school spirit" was at its highest peak during the basketball season when the Collegians appeared at the last game, honoring Tech's Championship team.
